

Advanced Safeguarding and Child Protection

Advanced Safeguarding and Child Protection

Duration: 6hrs

Kidscape are a leading provider of safeguarding, anti-bullying, peer mentoring and online safety training to schools, sports clubs and organisations that have contact with children and families.

The Kidscape Advanced Safeguarding and Child Protection course will build on your existing safeguarding knowledge. This course is suitable for those wanting a more advanced understanding of processes and procedures and a robust update for those with designated responsibility.

The course includes updates on how to recognise new risk factors, respond appropriately and report effectively to children's services, as well as understanding what happens once a referral to children's services is made.

This course is CPD accredited. All delegates will be presented with a certificate on completion.

Learning outcomes

On completion of this course delegates will be able to:

- Understand the role of Designated Safeguarding Lead or likewise in their setting
- Be informed and aware of the latest guidance and legislation relevant to safeguarding and child protection
- Have an increased awareness of how our values and attitudes can impact on safeguarding
- Have refreshed and enhanced their knowledge of the signs and symptoms of abuse
- Understand the child protection system and your duty of care within this
- Be able to identify good practice when working with children and to reflect on their settings policies and procedures

Suitable for

Managers, senior leadership and professionals who want an advanced knowledge of safeguarding children to implement in their setting. To be eligible to attend all delegates should already have completed the Kidscape Basic Safeguarding and Child Protection training, or other equivalent training. This is an ideal introduction or refresher course for those with designated responsibility for safeguarding.
