

Rudolph's Activity Pack

Everyone thinks they know about Rudolph.

They remember him for his shiny nose. But it's easy to forget just how incredible Rudolph is. Despite bullying from the other reindeer, he works with Santa to embrace his uniqueness - and that's what makes him shine.

Amazing antlers!

The other reindeer aren't very nice to Rudolph. What qualities would you look for in a friend? See if you can write them on these antlers!

What's your shining quality?

Rudolph gets bullied for his red nose, but in the end his nose helps Santa and the other reindeer to deliver presents!

Like Rudolph, we all have qualities that make us special and unique. What's yours?

Light up the tree!

Telling people why you care about them can make them feel really happy. Colour in and cut out these Christmas tree decorations for a lovely gift. You can add some string or ribbon, too! Remember to ask an adult for help when cutting.
